

JUDY'S STITCHERY NOOK
JANUARY/FEBRUARY, 2016 NEWSLETTER
Harlingen, TX 956-421-2654

Happy New Year to everyone.... I know, a little late - my life has been a bit hectic the last few months. Hard to believe it is already into February. The weather has been chilly, which makes for perfect stitching time. I pulled out of my stash "Summer Quaker Sampler" by Rosewood Manor, with the goal to finish in the next few weeks. Then I will give myself permission to start a new project - it is hard to decide which one I have my sights on several. How about you?

****NEWS ALERT ****

Prairie Schooler Designs is retiring. We have grown to love them through the years and always looked forward their annual "Schooler Santa" release each August.

Now is the time to purchase any titles you want, while they are still available.

Their website will remain open until early 2016. I will order any titles for you, as long as they are available from my distributors.
